

Thanksgiving Blessing

May you always remain thankful for the gift of your life,
And never take for granted the miracle of each breath you take,
for your life is God's gift to you.

May you always remain thankful for the beauty of creation,
and never take for granted clean air, green trees, and drinkable
water,
for they, too, are God's gift to you .

May you always remain thankful for family and friends
and never take for granted their kindness and caring,
for it is God who is working through them, showing his love for
you.

May you always remain thankful for your clothing, food and shelter
and never take these for granted,
for God has asked each of us to be his hands and feet; to reach
out and share with those who have less.

May you always give thanks in your heart, in both good and
difficult times.

and may you never take anything for granted.

May you share your blessings with others,

And know that God loves you.

[If used at end of prayer service, can be followed by “And may Almighty God bless us: Father, Son and Holy Spirit. Amen”]
