

Faith

Faith is God's gift to us at Baptism.

Faith gives us...

- ***new eyes*** to see as God sees
- ***a new mind*** to say, "I believe" as followers of Jesus, and members of His body, the Church
- ***a new heart*** to trust God, to pray, to worship God together, and seek God's will in all things

By faith, we say:

"I believe, I trust and worship God. I want to live as a follower of Jesus."
